

Joint Provider CME Program Fees

APSA accepts CME applications from two categories of applicants:

- APsA member organizations
- Non-member organizations

APsA Member Organizations

APsA affiliated organizations pay an annual fee each academic year that includes review and approval for up to 30 CME applications. Additional applications incur a \$100 fee per application. Cluster applications submitted for CME may not exceed 25 CME. The table below includes an increase in the annual fee for APsA affiliated organizations. This fee has not been increased since the inception of the program in 2003. Invoices are emailed in August-September timeframe.

Annual Fee for	CME Requested	Annual Fee	Number of Applications
Tier 1 – Extra-Small Organizations	1-15	\$ 1,000	Includes 30 course applications
Tier 2 – Small Organizations	16-50	\$ 1,500	Includes 30 course applications
Tier 3 – Medium-Sized Organizations	51-100	\$ 2,000	Includes 30 course applications
Tier 4 – Large Organizations	101-200	\$2,500	Includes 30 course applications
Tier 5 – Extra-Large Organizations	201+	\$ 3,000	Includes 30 course applications

Non-Member Organizations

Non-APsA affiliated organizations pay a fee per CME application submitted for activity review and approval based on the number of credits submitted and the organization tier. Invoices are emailed with the approval of each application.

Individual Activity Credits	Tier 1 (501c3 with federal tax exemption)	Tier 2 (Hospitals, clinics, government agencies, associations)	Tier 3 (For Profit or any organization that does not fall into tier 1 & 2)	Number of Applications
0.25 – 4	\$ 1,000.00	\$ 2,000.00	\$ 3,000.00	Includes 1 course application
5 – 9	\$ 1,500.00	\$ 2,500.00	\$ 3,500.00	Includes 1 course application
10 – 19	\$ 2,000.00	\$ 3,000.00	\$ 4,000.00	Includes 1 course application
