

CONTINUING EDUCATION STATEMENT OF OBJECTIVES AND ACCREDITING BODIES

APSA 113TH ANNUAL MEETING

STATEMENT OF OBJECTIVES

The scientific sessions of the American Psychoanalytic Association's meetings are intended to bridge the practice gaps in the professional knowledge of attendees by exploring new and recent developments in research, theory, technique, clinical knowledge and by offering opportunities to review essential psychoanalytic knowledge.

After attending the APsA 113th Annual Meeting, attendees should be able to:

1. Identify and describe the new developments affecting the science, policy, and clinical practice of psychoanalysis.
2. Compare presented clinical guidelines/best practices with the participant's current practice and identify strengths or gaps.
3. Analyze new research and science to develop practical applications and improvements for clinical practice or further research.
