How to Receive CE Credit

APsA is happy to offer Continuing Education Credits to Physicians, Psychologists, Social Workers, and Counselors at the 113th Annual Meeting. Continuing Education credits will be administered through an online evaluation system. Completion of the online evaluation is required to receive continuing education credits.

On Monday, June 10, 2024, you will receive an email with the subject line, “CE and Session Feedback: APsA 113th Annual Meeting”. This email will include a link to the evaluation website and your username and password to access the CE evaluation.

Once you have completed the online evaluation, you will be able to print or email your continuing education certificate from the evaluation website.

Please note that once a CE certificate is printed, changes, edits, or additional information cannot be added.

**The deadline for completing the CE evaluation is
Wednesday, July 3, 2024.**

If you do not receive the CE information email or if you have any questions, contact Kate Brundage, Director of Accreditation at kbrundage@apsa.org.

Please note: On Monday, July 8, recordings of the sessions will be sent to all registrants. However, please be aware that registrants cannot receive CE credit for viewing these recordings, as the sessions are part of a Live Continuing Education Activity. To ensure eligibility for CE credit, please complete the online evaluation by Wednesday, July 3, 2024, at midnight, Eastern Time.
